EDUCATION

Madhav Institute of Technology And Science

Bachelor of Technology in Information Technology

Gwalior [M.P.]

Dec 2020 – July 2024

EXPERIENCE

Full Stack(MERN) Web Developer Intern

Kranti Education

June 2023

Remote – Chittorgarh [R.J.], India

- Contributed to the enhancement of an online education platform. Successfully recreated the home page, implemented new features such as modules and quiz pages for seamless video lecture viewing and assignment completion. using **HTML, CSS, JavaScript, React.js and Next.js**.
- Worked with **REST APIs and Postman** to retrieve and display data from backend - **Node.js** and database - **MongoDB**.
- Responsible for managing **GitHub** for ensuring smooth collaboration, efficient code handling and the deployment of both frontend and backend components, ensuring a streamlined and reliable user experience.

ORGANISATIONS

Social Media Team - Volunteer

Helping Hut NGO - Team Gwalior

Aug 2022 – Present

New Delhi, India

TECHNICAL SKILLS

Languages : C++, JavaScript, HTML, CSS

Technologies : React.js, Bootstrap, Next.js, Express, Node.js, MongoDB, Linux, Github, Postman API Testing

Libraries : Material, React Router, TwitterApi, Puppeteer, OpenAI

PROJECTS

Resume Builder Web Application

HTML, CSS, JavaScript, Bootstrap, Node.js, MongoDB.

[Source Code](#)

- Designed and developed a clean and modern MVC WebApp using **HTML, CSS, JavaScript, Bootstrap, Node.js, MongoDB**
- This Web Application automates the resume creation process using pre-designed templates. Users simply need to fill out a form, and the application will generate a professional resume in PDF format for download.
- Maintained code with **GitHub** and deployed on Render. [Version 2 in development](#)

Twitter Bot

Node.js, TwitterApi, JavaScript, Github, Postman

[Source Code](#)

- Versatile bot proficient in delivering witty, sarcastic replies to tweets using **OpenAI API**, sharing entertaining jokes using **Jokes API**, and providing interactive Twitter support with screenshot sharing using **Puppeteer**.
- Maintained code with **GitHub** and tested with **Postman**.

CERTIFICATIONS

- [Meta Front-End Developer Professional Certificate](#)
- [Postman API Fundamentals Student Expert](#)
- [Udemy: React, NodeJS, Express and MongoDB - The MERN Fullstack Guide](#)

ACHIEVEMENTS

- Solved 500 plus coding problems on - [GFG](#), [InterviewBit](#), [CodingNinjas](#), [CodeChef](#), [Codeforces](#).
- Published article on GeeksforGeeks - [Tweet using Node.js and Twitter API](#).
